

# ARIZONA WIC ALERT

Volume 17, Issue 3

MARCH 2007

## Assistance with Milk Purchases

In previous months, the Arizona WIC Program has received numerous questions from WIC participants and Vendors regarding the purchase of milk. In September 2006, a Special Edition of the Arizona WIC Program Vendor Alert was developed and sent to all authorized Vendors and local agencies, to address the problem. However, the questions regarding milk purchases continue to arise.

In an effort to further assist WIC Participants, local agency staff and Vendors, the Arizona WIC Program, in coordination with the Inter Tribal Council of Arizona, Inc. and the Navajo Nation WIC Programs, have developed an informational flyer that will address the most commonly asked questions regarding the purchase of milk. The flyer will be provided and explained to each WIC participant and/or authorized representative.

For your convenience, an initial supply of the participant flyer is enclosed. Please review with all staff to ensure that all individuals who handle WIC transactions become familiar with the flyer. If you need additional flyers, please contact the Vendor Management Team at 1-866-737-3935.

If you have any questions regarding this WIC Alert or need technical assistance, please contact any member of the Vendor Management Team at 1-866-737-3935.
